

WARNING: This retreat unveils the subconscious thinking, where your greatness begins. During this retreat you will write a recipe for your organizational and team success. You will learn a new innovative thinking process, the art of building psychological safety for your teams while breaking barriers. You will share an abundance of knowledge, ideas, and you will leave with clarity on next steps and create a playbook for your success, based on the evidence we have today.

The Chateau

Are you feeling POWERLESS?

- What if I was to share with you, YOU, are holding yourself and your team back?
- What if I told you that you could turn your fear and frustration into well being and connectedness?

Are you a Healthcare leader who is struggling with nurse retention or finding nurses who want to stay?

- Most women lack the processes that create confidence.
- Most women find themselves a victim vs the victor.
- Most don't know where to start to create life-changing strategies for themselves and those they lead.

The WIFFM

You will walk away with a blueprint of strategies for 2023/24 Experience empathy, happiness, empowerment, connection. Breaking barriers of self-limiting beliefs, social biases, and negative narrations that fill our minds where thinking is less clear, making leadership less effective.
