## What We Offer:

### GROUP COACHING

*"Sometimes you just know it's time to think differently. The magic of new thinking creates new beginnings and different outcomes."* D. Readinger  
This is the result of Group Coaching and why you should begin now!

### WORKSHOPS

Schedule a full or half-day workshop for your team and take a deep dive to decide, identify, value, and execute your success story!

### CONSULTING

Our unique systems create leadership confidence, unlock beliefs, align values, and develop strategies for accelerated impact.

### CUSTOMIZED RETREATS

Plan a Power Palette for Today's Corporate Leader and begin to Think Differently in a private setting that supports creativity, growth, and confidence.

## Our First Book

If you want a glimpse into your future and a voice in creating a career and life you love, look no further. This breakthrough book is for, and about, YOU. It starts with **THINKING DIFFERENTLY**, and Dina and Sharon share 18 innovative strategies to fix broken thinking by authoring your life, solving the right problem at the right time. They'll take you on a journey that will open doors and opportunities. A must-read resource for anyone that leads or aspires to do so. The first step is yours...open this book! What are you thinking?

## Dina Readinger

MBA, CEO

### Awareness

Thirty-five-year history in healthcare *with expertise with post-close M&As*, an executive leadership coach for global mid to high-level executives who want more. I am an author, speaker, and creator of a proven innovative thinking process called Diagnostic Thinking.

### Mastery

Certified Team Business Coach creating strategies that align KPIs, and accountable culture. because change is personal. A master facilitator working with HR and Senior Leaders to bridge the gaps in programs focusing on bringing social change within their organization.

### Commitment

I want to create confident leaders who want to think differently and desire to create a life they love. I coach leaders on creating psychologically safe spaces to innovate and be a part of the "social" change that many private and public companies need today. Outdated leadership practices are no longer effective. To be different, you must "think" differently.

## Sharon M. Weinstein

CEO, MS, RN, DAIS, CSP®, FAAN

### Awareness

A global thought leader in leadership effectiveness and healthcare, I bring three decades of senior experience as a key decision-maker, board member, consultant, and content creator. I deliver innovative approaches to *Managing through Change*.

### Mastery

As a Certified Business Acceleration Coach, I have coached individuals and companies, identifying the attitudes, skills, and behaviors that send the right signals and influence others. My work has taken me across the country and around the globe, resulting in inclusive cultures of collaboration within the public, private, and government sectors.

### Commitment

I am on a mission to expand minds and forge new pathways ahead. My goal is to take you on a journey from transactional to transformational thinking, creating breakthroughs that ensure success.
